

MOBILE APP AI ACCEPTABLE USE POLICY

ZIRAVIX AI EXECUTIVE OS™ CORE

Last Updated: 23 August 2026

1. INTRODUCTION AND SCOPE

This Acceptable Use Policy (the “Policy”) forms part of and is incorporated into our **Mobile App Terms and Conditions (“Legal Terms”)** and should therefore be read together with our main **Legal Terms**, available at

[MOBILE APP TERMS AND CONDITIONS URL](#)

This Policy establishes the rules, standards, and guidelines governing your access to and use of the AI-powered mobile application and related services provided by **CODESCREEN BRAINCUB INCUBATOR LTD.** (“Company,” “we,” “us,” or “our”), including **ZIRAVIX AI EXECUTIVE OS™ CORE** and any related AI-powered products, features, functionality, tools, and services (collectively, the “Services” or “AI Products”).

When you access or use our Services, you agree to comply with this **Policy**, our **Legal Terms**, and all applicable laws, regulations, and legal requirements governing your use of the Services and AI-powered technologies.

Your use of our Services signifies your agreement to engage with our platform in a **lawful, ethical, responsible, secure, and respectful manner** that respects the rights, safety, privacy, and dignity of other individuals.

This Policy applies to all users of our Services, including users who browse, access, register for an account, create or submit Content, use AI-powered features, interact with other users or features of the Services, make purchases or obtain paid services, or otherwise access or use our Services.

1.1 For Purposes of this Policy:

(a) “Content” means forms, materials, information, prompts, inputs, outputs, consent tools, comments, posts, reviews, ratings, messages, and other content made available through or in connection with the Services;

(b) “Contributions” means materials or information that you submit, upload, publish, disclose, transmit, or otherwise contribute to or through the Services, including uploads, posts, reviews, ratings, comments, chats, and other submissions made through forums, interactive features, or other communication functionality;

(c) “AI Products” means the **AI-powered products, technologies, tools, systems, models, features, and functionality** made available by the Company through or in connection with the Services, including the AI-powered functionality incorporated into **ZIRAVIX AI EXECUTIVE OS™ CORE**; and

(d) “Services” means the **ZIRAVIX AI EXECUTIVE OS™ CORE mobile application**, together with its associated features, functionality, AI-powered tools, content, systems,

and related services made available by or on behalf of the Company through or in connection with the mobile application.

1.2 This Policy applies to Your Access to and Use of the Services, including:

- (a) Access to or use of our Services;**
- (b) Use of our AI Products and AI-powered functionality;**
- (c) Content and Contributions made available through or submitted to the Services;**
- (d) Interactions with other users, third parties, or interactive features made available through the Services; and**
- (e) Implementation, configuration, use, supervision, and management of our AI Products within or in connection with the Services.**

We have established this Policy to help maintain a **safe, lawful, respectful, reliable, and functional environment** for all users and to promote the responsible use of AI-powered technologies.

Your compliance with this Policy is a condition of your access to and use of our Services. If you do not agree to this Policy or our Legal Terms, you must not access or use the Services.

Your continued access to or use of the Services constitutes your acknowledgment and acceptance of this Policy and the Legal Terms, as applicable.

Nothing in this Policy limits any rights, remedies, restrictions, or obligations established under our Legal Terms or applicable law.

2. WHO WE ARE

We are **CODESCREEN BRAINCUB INCUBATOR LTD.**, doing business as **ZIRAVIX** (“Company,” “we,” “us,” or “our”), a company registered in the **United Kingdom** with its registered office at **128 City Road, London, EC1V 2NX, United Kingdom**.

We operate the **mobile application ZIRAVIX AI EXECUTIVE OS™ CORE** (the “App”), together with related products and services that refer to or link to this **Policy** (collectively, the “**Services**”).

3. USE OF THE SERVICES AND PROHIBITED USES

When you access or use **the Services**, you represent and warrant that you will comply with **this Policy, our Legal Terms, and all applicable laws and regulations**.

You must not use **the Services, the App, or any AI Products** for any unlawful, unauthorized, fraudulent, abusive, harmful, or prohibited purpose.

➤ **Without limiting the foregoing, you must not:**

3.1 Unauthorized Data Collection and Extraction

(a) Systematically retrieve, scrape, harvest, extract, collect, or compile data, content, information, or other materials from **the Services** for the purpose of creating or compiling, directly or indirectly, a collection, compilation, database, directory, dataset, or other repository without our prior written permission;

(b) Use data-mining, scraping, crawling, harvesting, extraction, or similar techniques to obtain information **from the Services** except where expressly authorized by us;

(c) Use automated systems, including bots, spiders, crawlers, scrapers, scripts, data-mining tools, offline readers, or similar technologies, to access, collect, monitor, reproduce, or extract information from the Services without authorization;

(d) Use or launch any unauthorized script, software, automated process, or other mechanism designed to interact with, access, extract information from, or interfere with the Services; or

(e) Use information obtained from the Services to create a competing database, service, product, or platform through systematic or unauthorized extraction.

3.2 Unauthorized Access and Account Misuse

➤ You must not:

(a) Make unauthorized use of the Services or attempt to gain unauthorized access to the App, Services, AI Products, systems, networks, restricted areas, or another user's account;

(b) Create accounts by automated means, under false pretenses, or for the purpose of circumventing restrictions or controls;

(c) Use another person's account, username, password, authentication credentials, access token, or other account information without authorization;

(d) Attempt to obtain, discover, collect, or misuse another person's password, authentication credentials, or sensitive account information;

(e) Sell, transfer, assign, share, or otherwise provide your account or profile to another person except where expressly permitted by our **Legal Terms**;

(f) Impersonate another user, person, organization, or entity, or use another user's username or identifying information without authorization; or

(g) Attempt to circumvent usage limits, subscription restrictions, authentication requirements, access controls, account restrictions, or other limitations imposed by the Company.

(h) Create or use multiple accounts for the purpose of circumventing restrictions, suspensions, limitations, or other measures imposed under our Legal Terms or this Policy.

3.3 Security and System Integrity

➤ You must not:

(a) Circumvent, disable, defeat, interfere with, or otherwise compromise security-related features of the Services;

(b) Probe, scan, test, or attempt to identify vulnerabilities in the App, Services, AI Products, systems, networks, or security measures;

(c) Interfere with, disrupt, overload, flood, damage, impair, or otherwise create an undue burden on the Services or any networks, servers, systems, or infrastructure connected to the Services;

(d) Upload, transmit, distribute, introduce, or attempt to introduce viruses, Trojan horses, malware, malicious software, corrupted files, malicious code, or other harmful materials;

(e) Transmit or distribute material designed to modify, impair, disrupt, alter, damage, or interfere with the operation, features, functionality, security, or maintenance of the Services;

(f) Attempt to bypass technical measures designed to prevent or restrict access to the Services or any portion of the Services; or

(g) Otherwise interfere with the availability, security, reliability, or proper operation of the Services.

(h) Forge, manipulate, or falsify information intended to identify the source, origin, or transmission of communications or data.

3.4 Reverse Engineering and Unauthorized Modification

- **Except to the extent expressly permitted by applicable law, you must not:**

(a) Decipher, decompile, disassemble, reverse engineer, or otherwise attempt to discover the source code, underlying algorithms, architecture, or technical operation of the App, Services, or AI Products;

(b) Copy, reproduce, adapt, modify, translate, create derivative works from, or otherwise exploit the software or technical components comprising or supporting the Services;

(c) Remove, obscure, alter, or delete copyright, trademark, proprietary, attribution, or other intellectual property notices from the Services or Content; or

(d) Attempt to circumvent technical restrictions or protections incorporated into the App or Services.

3.5 Unlawful and Harmful Use

➤ You must not use the Services to:

(a) Violate any applicable local, national, or international law, regulation, legal obligation, or enforceable requirement;

(b) Upload, transmit, distribute, generate, or otherwise make available unlawful, fraudulent, malicious, abusive, threatening, or harmful Content or information;

(c) Harass, threaten, intimidate, abuse, defame, discriminate against, or unlawfully harm another person;

(d) Use information obtained through the Services to harass, abuse, threaten, intimidate, exploit, or harm another person;

(e) Facilitate, promote, assist, encourage, or participate in unlawful or fraudulent activity; or

(f) Use the AI Products to generate, facilitate, automate, or materially assist unlawful, fraudulent, abusive, or harmful activities.

3.6 Fraud, Deception, and Misrepresentation

➤ You must not:

(a) Trick, defraud, deceive, or intentionally mislead the Company or other users;

(b) Submit false or materially misleading information in connection with your account or use of the Services;

(c) Attempt to obtain sensitive account information, credentials, payment information, or other confidential information through deception or fraudulent means;

(d) Submit knowingly false reports of abuse, misconduct, security incidents, or Policy violations for the purpose of harassing, disadvantaging, or improperly targeting another person; or

(e) Use the Services for fraudulent transactions, schemes, impersonation, or other deceptive practices.

(f) Falsely state or otherwise materially misrepresent your identity, affiliation, authority, or relationship with any person or entity.

3.7 Commercial and Competitive Misuse

➤ **Unless expressly authorized by the Company or permitted under our Legal Terms, you must not:**

(a) Use the Services, Content, or AI Products as part of an effort to develop, operate, promote, or provide a competing service through unauthorized copying, extraction, replication, or systematic use of our platform;

(b) Systematically reproduce or exploit the functionality, structure, Content, features, or operation of the Services for a competing commercial product or service;

(c) Use the Services or Content for an unauthorized revenue-generating commercial enterprise;

(d) Use the Services to conduct unauthorized advertising, solicitation, promotional activity, or spam; or

(e) Use the Services in a manner that materially exploits or circumvents any subscription, usage, licensing, or access restrictions.

3.8 Harassment of Company Personnel

You must not harass, threaten, intimidate, abuse, or unlawfully target employees, contractors, representatives, agents, support personnel, or other persons acting on behalf of the Company in connection with providing or supporting the Services.

3.9 Unlawful Collection or Transmission Mechanisms

You must not use the Services to upload, transmit, distribute, deploy, or facilitate any unauthorized mechanism designed to secretly collect, monitor, transmit, or exfiltrate information from users or systems.

This includes malicious tracking mechanisms, hidden data-collection mechanisms, unauthorized code, or other technologies intended to collect or transmit information without appropriate authorization, notice, or lawful basis.

*Nothing in this provision prohibits ordinary technical functionality, cookies, analytics, security technologies, or other mechanisms lawfully implemented by the Company as described in our **Mobile App Cookie Policy**, **Mobile App Privacy Policy**, or other applicable legal notices.*

3.10 Interference with Other Users

- **You must not use the Services in a manner that materially interferes with another user's lawful access to or enjoyment of the Services.**

This includes excessive or abusive requests, repeated disruptive activity, spam, malicious automation, deliberate system overload, or other conduct designed to impair the availability or functionality of the Services.

3.11 Intellectual Property and Proprietary Rights

You must not use the Services to infringe, misappropriate, violate, or facilitate the violation of any copyright, trademark, patent, trade secret, database right, privacy right, publicity right, or other intellectual property or proprietary right belonging to the Company or any third party.

3.12 General Prohibition

You must not attempt to do indirectly, through another person, account, service, tool, software, or other means anything that this Policy expressly prohibits you from doing directly.

You must also not assist, encourage, facilitate, enable, or knowingly permit another person to engage in conduct that violates this Policy, our Legal Terms, or applicable law.

The Company may take appropriate action where it reasonably determines that conduct involving the Services presents a material risk to users, third parties, the Company, the security or integrity of the Services, or compliance with applicable law.

4. AI PRODUCTS AND PROHIBITED AI USES

When you use the **AI Products** and AI-powered functionality provided through **ZIRAVIX AI EXECUTIVE OS™ CORE**, you represent and warrant that you will use such functionality responsibly, lawfully, ethically, and in accordance with this Policy, our **Legal Terms**, and **all applicable laws and regulations**.

➤ You must not use the AI Products to:

(a) Deploy, facilitate, or use AI techniques that rely on subliminal, manipulative, or deceptive methods designed to materially distort a person's behavior or impair their ability to make informed decisions, particularly where such use is intended or reasonably likely to cause significant harm;

(b) Exploit vulnerabilities of individuals or groups based on characteristics such as **age, disability, or socioeconomic circumstances** through AI in a manner designed to materially distort their behavior or decision-making, particularly where such use is intended or reasonably likely to cause significant harm;

(c) Use AI-powered biometric categorization systems to infer or classify individuals based on **sensitive personal attributes**, including race, political opinions, trade union membership, religious or philosophical beliefs, sex life, or sexual orientation, except where such processing is expressly permitted by applicable law;

(d) Implement or use AI-based social scoring systems that evaluate or classify individuals or groups based on their social behavior, personal characteristics, or other personal or social attributes in a manner that results in or is intended to facilitate harmful, discriminatory, or unjustifiably unfair treatment;

(e) Use AI systems to assess or predict an individual's likelihood of committing a criminal offense **solely on the basis of profiling, personality traits, personal characteristics, or other non-behavioral factors**, except where expressly permitted by applicable law and subject to applicable legal safeguards;

(f) Create, compile, expand, or facilitate the creation of facial recognition databases through the untargeted scraping or collection of facial images from the internet, social media, video surveillance systems, or other publicly or privately accessible sources, except where expressly permitted by applicable law;

(g) Use AI systems to infer or assess emotions in workplaces, educational institutions, or other sensitive environments where such use is prohibited by applicable law or is reasonably likely to result in discrimination, unfair treatment, unlawful profiling, or unjustified interference with an individual's privacy or rights;

(h) Use AI-powered real-time remote biometric identification in publicly accessible spaces for law enforcement purposes except where such use is expressly permitted by applicable law and subject to applicable legal authorization, safeguards, oversight, and limitations; or

(i) Use the AI Products to facilitate, enable, or materially assist any activity prohibited under this Policy, our **Legal Terms**, or applicable law.

4.1 Responsible Use of AI

You acknowledge that the AI Products are intended to support lawful and responsible use and must not be used as a means of circumventing legal, ethical, security, privacy, or other restrictions established by the Company or applicable law.

You remain responsible for your use of the AI Products and for ensuring that your use of AI-generated outputs, recommendations, analyses, or other AI-assisted functionality complies with this Policy, our Legal Terms, and applicable law.

5. ARTIFICIAL INTELLIGENCE

We recognize the significant impact that artificial intelligence can have on our users, organizations, and society.

We are committed to ensuring that our AI Products are designed, operated, and made available in a manner that promotes **responsible, lawful, ethical, fair, transparent, and accountable use of artificial intelligence**, consistent with applicable laws and regulatory requirements.

- We aim to use AI technologies to enhance user experiences while promoting principles of **fairness, transparency, accountability, safety, privacy, and responsible use.**

This Policy applies to the AI-powered features, functionality, services, tools, and systems made available through or in connection with our **Services**. It establishes requirements for the responsible use of AI technologies and is intended to help protect users' rights and support transparency and accountability in the use and operation of AI-powered functionality.

We may establish and maintain appropriate safeguards, controls, processes, and other measures designed to support the responsible operation and use of our AI Products, including measures relating to safety, security, privacy, fairness, transparency, and accountability.

Where applicable, the development, deployment, operation, management, or provision of our AI Products may also involve employees, contractors, third-party service providers, vendors, technology providers, and business partners who contribute to or interact with our AI Products.

Such parties may be subject to additional contractual, operational, security, privacy, or other requirements applicable to their role.

➤ *Our approach to AI is intended to support the responsible development, deployment, operation, and use of AI technologies while recognizing the potential benefits, limitations, risks, and broader societal impact of artificial intelligence.*

This Section is supplementary to, and does not replace or limit, the specific prohibited AI uses and responsible-use requirements set out elsewhere in this Policy, our Legal Terms, our Mobile App AI Usage Disclaimer, or our Mobile App AI Transparency Statement.

6. ENFORCEMENT OF AI USE REQUIREMENTS

- *Any misuse of our **AI Products**, or failure to comply with the standards and requirements established by this Policy, may result in appropriate action to protect the integrity, security, reliability, and proper operation of the Services and to protect our users and other affected persons.*

The specific action taken in response to misuse may depend on the **nature, scope, seriousness, frequency, and potential impact of the conduct**, as well as any applicable legal requirements and, where relevant, the user's history of compliance with our Services.

- ***Violations may include, but are not limited to:***

(a) Using the AI Products in a manner that violates applicable privacy requirements, improperly manipulates or exploits data, disregards applicable ethical or responsible-use requirements, or violates the terms or requirements of applicable AI service providers;

(b) Using or deploying AI functionality in a manner that introduces, amplifies, or facilitates unlawful or unjustified bias, resulting in or contributing to discriminatory, unfair, or harmful treatment of individuals or groups;

(c) Improperly handling, storing, processing, transmitting, or otherwise using data in connection with the AI Products in a manner that compromises user privacy, data security, legal compliance, or the protection of confidential or personal information;

(d) Using the AI Products in a manner that compromises, threatens, or materially undermines the privacy, security, integrity, or availability of our systems, Services, data, or users; or

(e) Otherwise using the AI Products in a manner that materially violates this Policy, our Legal Terms, applicable law, or other requirements governing the responsible use of the Services.

- Where appropriate, we may take measures including **warning the user, restricting particular features or functionality, limiting access to AI Products, suspending or terminating an account, removing or restricting Content, investigating suspected misuse, or taking other appropriate action permitted by our Legal Terms and applicable law.**

Any enforcement action will be subject to applicable law and any rights or procedures that may apply to the user.

7. ENFORCEMENT ACTIONS

Depending on the **nature, seriousness, scope, and circumstances of the violation**, **CODESCREEN BRAINCUB INCUBATOR LTD.** may take one or more of the following actions, subject to our **Legal Terms** and **applicable law**:

(a) Warnings.

The responsible user or other relevant party may receive a formal warning and may be required to cease or remedy the conduct that **violates this Policy**.

(b) Temporary Suspension.

In cases involving repeated, suspected, or more serious violations, access to the **AI Products, the App, or certain features of the Services** may be temporarily suspended or restricted while the matter is reviewed or investigated.

(c) Termination of Access.

Serious or persistent violations, particularly conduct that causes or creates a significant risk of harm to users, compromises privacy or security, or violates applicable laws or regulations, may result in the permanent suspension or termination of access to the **AI Products, the App, or the Services**, subject to applicable law and our Legal Terms.

(d) Legal or Regulatory Action.

Where misuse of the AI Products results in or involves significant harm, data breaches, unlawful conduct, or other legal or regulatory violations, we may take appropriate legal or regulatory action. This may include reporting suspected unlawful conduct to appropriate **law enforcement authorities, regulators, or other competent authorities**, where permitted or required by law.

(e) Disclosure Where Permitted or Required by Law.

Where appropriate and legally permitted or required, we may disclose information concerning a serious violation, incident, or enforcement action to relevant authorities, affected parties, or other appropriate persons where necessary to protect users, maintain security, comply with legal obligations, or support transparency and accountability.

- ***Any enforcement action taken under this Section will be proportionate to the circumstances where appropriate and will remain subject to applicable law and any rights or procedures available to the affected user or party.***

8. COMMITMENT TO RESPONSIBLE AI

- In addition to the enforcement measures described above, we are committed to **responsible AI practices** and, where appropriate, to taking reasonable steps to address or mitigate harm resulting from the misuse of our AI Products.

This commitment reflects our responsibility to our users and our broader commitment to the **lawful, ethical, transparent, secure, and responsible development and use of AI technologies.**

- Where we identify or become aware of inappropriate, biased, unsafe, or otherwise harmful outcomes associated with our AI Products, we may take appropriate corrective measures, which may include **reviewing or correcting affected processes or outputs, implementing additional safeguards, improving monitoring and controls, updating systems or functionality, and taking other reasonable measures designed to reduce the risk of similar issues occurring in the future.**

CODESCREEN BRAINCUB INCUBATOR LTD. is also committed to the **ongoing review, refinement, and improvement of this Policy and our responsible AI practices.**

- As AI technologies develop and applicable legal and regulatory requirements evolve, we recognize the importance of maintaining policies and practices that remain **relevant, effective, proportionate, and aligned with applicable legal requirements and recognized responsible AI principles.**

We may periodically review and update this Policy to reflect **technological developments, emerging risks, operational experience, applicable guidance, and changes to local, national, and international laws and regulations relating to AI.**

Where necessary, we may update our policies, safeguards, procedures, and practices to support continued compliance with applicable legal and regulatory requirements and to promote the **lawful, secure, ethical, and socially responsible use of AI Products.**

- **This commitment does not create any obligation to provide a particular outcome, remedy, or corrective action where none is required by applicable law or our Legal Terms.**

9. CONTRIBUTIONS

- For purposes of this Policy, **“Contributions”** means:

(a) **Any data, information, software, text**, code, music, scripts, sounds, graphics, photographs, videos, tags, messages, interactive features, or other materials that you **post, share, upload, submit, transmit, or otherwise provide** on or through the Services;
or

(b) **Any other content, materials, information**, or data that you provide to **CODESCREEN BRAINCUB INCUBATOR LTD.** or use in connection with the Services.

9.1 CONTRIBUTIONS SUBMITTED THROUGH THE SERVICES

- Certain features or areas of the Services may allow users to **upload, submit, transmit, share, or otherwise provide Contributions.**

- You are responsible for ensuring that your Contributions comply with this Policy, our **Legal Terms**, and all applicable laws and regulations.
- We **may**, but are not obligated to, review, monitor, moderate, restrict, or remove Contributions submitted through the Services, including where we reasonably believe that a Contribution may violate this Policy, our Legal Terms, applicable law, or the rights or safety of others.

We do not assume responsibility for Contributions submitted by users and, **to the extent permitted by applicable law**, we disclaim responsibility for losses or damages arising from a user's violation of this Policy in connection with their Contributions.

If you believe that a Contribution submitted through the Services **violates this Policy, our Legal Terms, applicable law, or the rights of another person**, you may report it to us using the contact details provided in this Policy.

- We may review reported Contributions and will determine, **in our reasonable discretion and subject to applicable law**, whether further action is appropriate.

- Any action we take in relation to a Contribution may include **removing, restricting, disabling access to, or otherwise modifying its availability**, or taking action against the relevant account where permitted under our Legal Terms and applicable law.

9.2 CONTRIBUTION REPRESENTATIONS AND WARRANTIES

- **By submitting, uploading, transmitting, posting, sharing, or otherwise providing any Contributions through or in connection with the Services, you represent and warrant that:**

(a) You are the creator and owner of your Contributions, or you have obtained all necessary **licenses, rights, consents, releases, permissions, and other authorizations** required to use your Contributions and to authorize the Company, the Services, and other users of the Services to use those Contributions in the manner contemplated by the Services, our **Legal Terms**, and this Policy;

(b) Your Contributions comply with all **applicable laws and regulations** and, where they purport to represent facts, information, or statements of opinion, your Contributions are not knowingly false, fraudulent, or materially misleading;

(c) The creation, submission, uploading, distribution, transmission, display, performance, accessing, downloading, copying, or other permitted use of your Contributions through or in connection with the Services does not and will not infringe, misappropriate, or otherwise violate any proprietary or other rights of any third party, including **copyright, patent, trademark, trade secret, database rights, moral rights, privacy rights, publicity rights, or other intellectual property or proprietary rights**; and

(d) Where your Contributions contain or depict an **identifiable individual**, you have obtained all necessary and verifiable **consents, releases, permissions, or other lawful authorizations** required to use that individual's name, image, likeness, voice, or other identifying characteristics and to include and use such Contributions through or in connection with the Services in the manner contemplated by this Policy and our Legal Terms.

- **You are responsible for ensuring that you have the necessary rights and permissions before submitting any Contribution to the Services.**

9.3 PROHIBITED CONTRIBUTIONS

- You agree that you will not **post, upload, transmit, submit, publish, share, or otherwise make available** any Contribution, or any portion of a Contribution, that:

(a) Violates any applicable law, regulation, court order, contractual obligation, legal duty, this Policy, or our **Legal Terms**, or promotes, facilitates, or assists fraud, unlawful conduct, or illegal activities;

(b) Is defamatory, obscene, hateful, abusive, threatening, intimidating, bullying, harassing, insulting, or otherwise unlawfully harmful toward any person or group;

(c) Is knowingly false, materially inaccurate, fraudulent, or misleading;

(d) Contains or facilitates child sexual abuse material (CSAM), or otherwise violates applicable laws or requirements designed to protect children or minors from sexual exploitation or abuse;

(e) Solicits personal information from a person under the age of 18 for an unlawful or inappropriate purpose, or sexually exploits, sexually abuses, or promotes violence against a person under the age of 18;

(f) Promotes, encourages, glorifies, facilitates, or threatens violence against another person or group, or unlawfully incites physical harm;

(g) Contains sexually explicit material, or material that is unlawfully obscene, sexually exploitative, excessively violent, harassing, libellous, slanderous, or otherwise unlawful or harmful;

(h) Unlawfully discriminates against, promotes hatred toward, or advocates hostility or violence against a person or group based on protected characteristics, including **race, sex, religion, nationality, disability, sexual orientation, or age**;

(i) Bullies, intimidates, humiliates, threatens, or intentionally targets another person for abuse or harassment;

(j) Promotes, facilitates, assists, or encourages **terrorist acts, violent extremist activity, or other unlawful acts of violence;**

(k) Infringes, misappropriates, or assists another person in infringing or misappropriating any third party's **intellectual property, privacy, publicity, or other proprietary rights;**

(l) Deceives, impersonates, or materially misrepresents your identity, affiliation, authority, relationship with another person or entity, or relationship with the Company, or falsely represents that a Contribution was created, submitted, or endorsed by another person;

(m) Contains unsolicited or unauthorized advertising, promotional material, commercial solicitation, pyramid schemes, chain letters, spam, mass mailings, or other unauthorized solicitations, whether provided for monetary compensation or other consideration; or

(n) Otherwise falsely or materially misrepresents the identity of the person or entity from whom the Contribution originates.

➤ *You must also not use a Contribution to circumvent, evade, or assist another person in circumventing or evading any restriction, safeguard, or requirement established under **this Policy, our Legal Terms, or applicable law.***

10. REPORTING A BREACH OF THIS POLICY

- We may, but are not obligated to, review, monitor, or moderate Services, Content, or Contributions submitted, uploaded, transmitted, or otherwise made available through the Services.

To the extent permitted by applicable law, we are not responsible for Content or Contributions submitted by users or for losses or damages arising from a user's violation of this Policy.

- If you believe that any **Service, Content, or Contribution** violates this Policy,

You may report it to us by contacting:

- **Contact Desk Email:** contact@ziravix.com
 - **Policy Violations Email:** abuse@ziravix.com
 - or by using **the contact details provided at the end of this Policy.**
- *When submitting a report, please provide sufficient information to allow us to identify and assess the matter, including:*

(a) The specific Service, Content, or Contribution you believe violates this Policy;

(b) The provision or requirement of this Policy that you believe has been violated;

(c) An explanation of why you believe the relevant Service, Content, or Contribution violates this Policy; and

(d) Where appropriate, any relevant links, screenshots, supporting documentation, or other information that may assist us in reviewing the report.

10.1 REPORTING INTELLECTUAL PROPERTY CONCERNS

- If you believe that any **Content or Contribution** available through the Services infringes or otherwise violates a third party's **intellectual property rights**,

You may report the matter to:

- Intellectual Property Contact Desk: compliance@ziravix.com
- Copyright Contact Desk: copyright@ziravix.com

- or use the **applicable contact details provided at the end of this Policy.**

Where appropriate, your report should identify the relevant Content or Contribution, the intellectual property right you believe has been infringed, and sufficient information for us to assess the reported concern.

10.2 FEEDBACK REGARDING AI PRODUCTS

- Users may also provide feedback regarding their interactions with our **AI Products**, including concerns relating to AI-generated outputs, safety, accuracy, bias, inappropriate responses, privacy, or other responsible-AI concerns.

You may submit feedback to:

- **AI Feedback Contact Email:** ai@ziravix.com
- **Information Contact Desk Email:** info@ziravix.com

- or use the **applicable contact details provided at the end of this Policy.**

- *Where possible, please include sufficient information to help us understand and assess the concern, including:*

(a) The relevant AI Product or feature;

(b) The general context in which the interaction occurred;

(c) The nature of the concern or issue identified; and

(d) Any relevant screenshots, examples, documentation, or other information that you are legally permitted to provide.

- We will **reasonably assess** reports received under this Section and determine, based on the information available to us and applicable law, whether further review or action is appropriate.
- *Submission of a report does not guarantee that we will remove Content, take enforcement action, or otherwise resolve the matter in a particular manner.*

11. CONSEQUENCES OF BREACHING THIS POLICY

- The consequences of violating this Policy may vary depending on the **nature, seriousness, scope, frequency, and circumstances of the breach**, as well as the user's history of compliance with the Services and any applicable legal requirements.

Depending on the circumstances, we may take one or more of the following actions:

- (a) **Issue a warning and provide the user** with an opportunity to cease or remedy the conduct;
- (b) **Remove, restrict, disable access to**, or otherwise limit the availability of a Contribution or other Content that we reasonably determine violates this Policy, our **Legal Terms**, or applicable law;
- (c) **Restrict or suspend** access to the **Services, the App, AI Products, or particular features or functionality**;
- (d) **Suspend, restrict**, or terminate the user's account or access to the Services, particularly in cases involving serious, repeated, or continuing violations;

(e) Take other appropriate measures permitted under our **Legal Terms** and applicable law; and

(f) Where we reasonably believe that a violation involves unlawful conduct, a genuine risk of harm to an individual, a significant security or privacy risk, or a threat to public safety, **report the matter to appropriate law enforcement, regulatory authorities, or other competent authorities**, or take appropriate legal action where permitted or required by law.

- We may take action **with or without prior notice where permitted by applicable law**, particularly where immediate action is reasonably necessary to protect users, the Services, the Company, or third parties.
- To the extent permitted by applicable law, the Company will not be responsible for losses or damages arising solely from reasonable enforcement actions taken in accordance with this Policy, our **Legal Terms**, or applicable law.

Nothing in this Section limits any rights or remedies available to you under applicable law.

12. DISCLAIMER

- **CODESCREEN BRAINCUB INCUBATOR LTD.** is not obligated to monitor users' activities or **Contributions** and does not assume responsibility for a user's misuse of the Services.

We do not assume responsibility for any **user-generated Content or Contributions** created, submitted, maintained, stored, transmitted, or otherwise made available on or through the Services by users or other third parties.

We are not obligated to continuously monitor, review, moderate, or exercise editorial control over such Content or Contributions, except where required by applicable law or where we voluntarily choose to do so.

- If we become aware of Content or a Contribution that we reasonably believe **violates this Policy, our Legal Terms, or applicable law**, we may take appropriate action, which may include removing, restricting, disabling access to, or otherwise limiting the availability of such **Content or Contribution, restricting or suspending the relevant account**, and, where appropriate or required by law, reporting the matter to **law enforcement authorities, regulatory authorities, or other competent authorities**.

- We do not guarantee that all Content or Contributions made available through the Services will be reviewed, identified, removed, or prevented from appearing on the Services.
- Unless otherwise expressly stated in this **Policy** or our **Legal Terms**, we do not assume **obligations or liability** to persons who have not entered into an agreement with **CODESCREEN BRAINCUB INCUBATOR LTD.** governing their use of the **Services**, except to the extent such obligations or liability cannot lawfully be excluded or limited.

Nothing in this Section excludes or limits any liability, obligation, or right that cannot lawfully be excluded or limited under applicable law.

- *When contacting us, please provide sufficient information to help us understand and respond to your enquiry or report.*

Where appropriate, this may include the relevant Service, Content, Contribution, account or feature involved, a description of the concern, and any relevant supporting information or documentation that you are legally permitted to provide.

- Please **do not include unnecessary personal, confidential, or sensitive information** when submitting a report or enquiry.

We will review and respond to enquiries and reports as appropriate, subject to the nature of the matter, applicable law, and our operational procedures.
