6.1 Ownership

Subject to applicable law and the rights of third parties, you retain your rights and interests in User Content that you lawfully provide to **the App**.

Nothing in these Terms transfers ownership of your User Content to **CODESCREEN BRAINCUB INCUBATOR LTD.** merely because you access or use **ZIRAVIX AI EXECUTIVE OS™ CORE**.

6.2 License Necessary to Provide the App

You grant **the Company** a limited, non-exclusive, worldwide, royalty-free license to host, store, process, reproduce, transmit, and otherwise use your User Content only to the extent reasonably necessary to provide, operate, maintain, secure, improve, and support **the App** and its functionality, subject to the **Company's Privacy Policy**, these Terms, and applicable law.

This license does not transfer ownership of your User Content to **the Company**.

You should not provide third-party information to **the App** where doing so would violate applicable law, contractual obligations, confidentiality obligations, privacy rights, or other applicable restrictions.

Your access to or use of a Third-Party Service may therefore be subject to the terms, conditions, policies, and requirements of the relevant third-party provider.

Where **the App** depends on or interacts with a Third-Party Service, the availability or functionality of that Third-Party Service may affect the availability or functionality of **the App**.

CODESCREEN BRAINCUB INCUBATOR LTD. does not control Third-Party Services and, subject to applicable law, is not responsible for matters arising solely from the acts, omissions, availability, security, functionality, policies, or practices of a third-party provider.

Nothing in this Section limits any rights, remedies, warranties, or protections that cannot lawfully be excluded or limited under applicable law.

11. PAYMENTS, PURCHASES, AND SUBSCRIPTIONS

11.1 Free and Paid Functionality

ZIRAVIX AI EXECUTIVE OS™ CORE may include free functionality and may also offer paid features, purchases, subscriptions, upgrades, or other paid services.

Where paid functionality is offered, the applicable price, currency, billing arrangement, subscription period, renewal terms, applicable taxes or charges, cancellation terms, and refund terms will be presented to you before or at the time of purchase, where required by applicable law.

You are responsible for reviewing the applicable purchase information before completing a transaction

You agree to provide accurate and complete payment or billing information where required to complete a purchase.

If payment information is inaccurate, expired, declined, or otherwise unavailable, **the Company** may be unable to process the applicable transaction or may take reasonable steps permitted by applicable law and the applicable payment terms.

11.3 App-Store Purchases

Where purchases, subscriptions, or other paid functionality are processed through a mobile application store, payment processing, billing, subscription management, cancellation, renewal, and refund matters may also be governed by the applicable app store's terms, policies, and procedures.

Where required, you should manage purchases, subscriptions, cancellations, or refund requests through the applicable app store or payment provider.

11.4 Subscription Renewal and Cancellation

Where **the App** offers automatically renewing subscriptions, the applicable renewal frequency, price, and cancellation information will be presented to you before or at the time of purchase, as required by applicable law.

You may cancel an automatically renewing subscription in accordance with the cancellation process made available through **the App**, the applicable app store, payment provider, or other purchase platform through which the subscription was obtained.

Cancellation generally applies to future renewal periods and does not automatically entitle you to a refund for amounts already charged, except where a refund is required by applicable law or expressly provided under the applicable purchase terms.

11.5 Taxes and Other Charges

Unless otherwise stated at the time of purchase, you may be responsible for applicable taxes, transaction fees, or other charges associated with your purchase to the extent permitted or required by applicable law.

Where applicable, taxes or other mandatory charges may be calculated and displayed during the purchase process.

11.6 Refunds

Refunds, credits, or other remedies relating to purchases or subscriptions will be handled in accordance with the applicable purchase terms, payment provider or app-store policies, and applicable law.

Nothing in these Terms is intended to exclude, restrict, or limit any refund, cancellation, withdrawal, consumer, or other statutory right that cannot lawfully be excluded or limited.

12. PAYMENTS, SUBSCRIPTIONS, AND PLATFORM ACCESS

12.1 Platform-Based Access

Access to certain versions, features, functionality, AI usage, or other resources associated with **the App** may depend on the applicable plan, subscription, usage allowance, credits, or other access arrangements made available through the **Anything App AI platform** or another applicable third-party service.

The applicable pricing, subscription level, usage allowances, credits, and access conditions will be presented through the applicable platform or purchase process.

12.2 Payment Processing

Where payment is required for access to **the App** or its applicable functionality, payment processing may be provided through **Anything App AI and its payment infrastructure**, including **Stripe or another applicable payment processor**, as applicable to the relevant transaction.

The Company does not represent that it directly processes or stores your full payment-card information. Payment information may be collected, processed, and stored by the applicable third-party payment provider in accordance with its own terms, privacy policy, and applicable legal requirements.

Payment transactions may be subject to the applicable terms, conditions, privacy policies, and payment-processing requirements of **Anything App AI** and **Stripe**.

12.3 Subscription Model

Where access to **ZIRAVIX** is provided through a paid **Anything App AI** plan or other applicable subscription arrangement, the subscription terms applicable to that plan, including its price, billing period, usage or credit allowances, and access conditions, are determined by the applicable platform or purchase process.

Your access to **ZIRAVIX** may therefore depend on the status of the applicable **Anything App AI** account, subscription, credits, or other platform entitlement.

Anything App's current platform documentation describes a subscription and shared AI-credit model under which users' AI usage may consume credits from their platform account. The specific arrangements applicable to **ZIRAVIX** may depend on the version, configuration, deployment, plan, and applicable platform terms of **the App**.

12.4 Billing and Renewal

Where a subscription or other recurring payment applies, billing and renewal will be handled through the applicable platform and payment-processing system.

Any automatic renewal, renewal date, billing interval, applicable price, or related billing condition will be presented through the applicable purchase or subscription interface.

12.5 Cancellation

Where your access **to ZIRAVIX** depends on an **Anything App AI** subscription or other platform subscription, cancellation of that subscription must be completed through the applicable platform account or cancellation process.

Cancellation of a subscription will generally stop future renewals while allowing access to remain available until the end of the applicable paid billing period, subject to the terms of the applicable platform or purchase arrangement.

12.6 Refunds

Refunds for payments made through **Anything App AI, Stripe**, or another applicable payment system will be handled in accordance with the refund rules applicable to the relevant transaction and platform.

Where applicable, requests for refunds may be subject to the procedures, time limits, exclusions, and statutory rights established by the applicable platform, payment processor, or applicable law.

Nothing in these Terms excludes or limits any refund, cancellation, withdrawal, or other consumer right that cannot legally be excluded or limited.

Where a purchase was made through a third-party platform or payment provider, **the Company** may not be able to independently process or determine the outcome of a refund request.

12.7 Taxes

Applicable taxes, duties, or similar charges associated with a purchase or subscription will be handled in accordance with the applicable platform, payment-processing arrangement, and applicable law.

The amount presented to you at checkout or purchase may therefore include applicable taxes or other required charges.

12.8 Changes to Pricing or Plans

The applicable platform or service provider may change its pricing, subscription plans, credit allowances, usage limits, or other commercial terms from time to time, subject to applicable law and any notice requirements applicable to your existing subscription.

Such changes may affect the availability or cost of access to **ZIRAVIX** where **the App** depends on the relevant platform or subscription arrangement.

Where required by applicable law, you will receive any notice required before a material change to the price or terms of an existing subscription takes effect.

12.9 Third-Party Payment Terms

Anything App AI and **Stripe** may have separate terms and privacy policies governing their respective services.

You are responsible for reviewing the terms applicable to any payment, subscription, or platform account that you use to access **ZIRAVIX**.

Nothing in this Section makes **Anything App AI or Stripe** the owner of the **ZIRAVIX** brand or the provider of the **ZIRAVIX** service.

CODESCREEN BRAINCUB INCUBATOR LTD. remains the Company providing **ZIRAVIX** under the **ZIRAVIX** brand, subject to the role of applicable third-party technology and service providers.

The Company may suspend or restrict access where reasonably necessary to:

- protect **the App** or its users;
- address security concerns;
- investigate suspected misuse;
- comply with applicable law;
- enforce these Terms; or
- address activity that creates a material risk to **the App, the Company**, users, or third parties.

Where reasonably practicable and legally permissible, **the Company** may provide notice before suspension or termination.

Upon termination, your right to use **the App** will cease.

Termination may affect access to User Content stored through **the App**.

The Company does not guarantee that User Content will remain available after termination except where required by applicable law or an applicable agreement.

Provisions that by their nature are intended to survive termination, including intellectual property, disclaimers, limitations of liability, indemnification, and applicable legal provisions, will survive termination.

22. CHANGES TO THESE TERMS

The Company may update these Terms from time to time to reflect changes to **the App**, technology, legal requirements, business practices, or other circumstances.

When material changes are made, **the Company** will provide notice through **the App**, website, account, email, or another appropriate method, where required by applicable law.

The updated Terms will identify their applicable effective date.

Your continued use of the App after the updated Terms become effective may constitute acceptance of the updated Terms, to the extent permitted by applicable law and subject to any notice or consent requirements imposed by applicable law.

23. GOVERNING LAW

These Terms are governed by and construed in accordance with the laws of England and Wales, without prejudice to any mandatory rights or protections that apply to you under the law of your country or place of residence.

Subject to any mandatory rights or protections that apply to you under the laws of your country or place of residence, the courts of **England and Wales** shall have jurisdiction over disputes arising out of or in connection with these Terms or your use of **the App**.

Nothing in this **Section** limits any mandatory consumer rights or protections that cannot lawfully be excluded or restricted under applicable law.

24. DISPUTE RESOLUTION

Any dispute arising from or relating to these Terms or **the App** will be addressed in accordance with the applicable law and jurisdiction identified above.

Nothing in these Terms requires arbitration or prevents you from exercising a statutory right to bring a claim before a competent court or authority where such right cannot legally be excluded.

If you have a concern, complaint, or dispute relating to **the App** or these Terms, we encourage you to contact us first using the contact information provided in **Section 27** so that we may try to resolve the matter informally.

If the matter cannot be resolved informally, any dispute arising out of or in connection with these Terms or your use of **the App** shall be subject to the jurisdiction of the courts of England and Wales, subject to any mandatory rights, protections, or jurisdictional rules that apply to you under applicable law.

Nothing in this **Section** prevents you from exercising any mandatory consumer rights or remedies available to you under applicable law.

Nothing in these Terms is intended to exclude, restrict, or waive mandatory consumer rights or other legal protections that cannot lawfully be excluded or waived.

Where mandatory local law provides you with rights that conflict with these Terms, those mandatory rights will apply.

26. GENERAL LEGAL PROVISIONS

26.1 Entire Agreement

These Terms, together with any documents expressly incorporated into them, constitute the agreement between you and **the Company** concerning your use of **the App**, except where a separate written agreement applies.

26.2 Severability

If any provision of these Terms is found to be invalid or unenforceable, that provision will be enforced to the maximum extent permitted by law, and the remaining provisions will continue in effect.

26.3 Waiver

A failure or delay by **the Company** to enforce a provision of these Terms does not constitute a waiver of its right to enforce that provision later.

26.4 Assignment

The Company may assign or transfer its rights and obligations under these Terms in connection with a merger, acquisition, corporate reorganization, sale of assets, or similar transaction, subject to applicable law.
