Last Updated: 21 August 2026

1. GENERAL INFORMATION

This AI Usage Disclaimer applies to the use of AI-powered features and functionality provided through **ZIRAVIX AI EXECUTIVE OS™ CORE** (the “App”). It should be read together with the **Terms and Conditions** and applicable **ZIRAVIX Privacy Policy**.

2. AI-POWERED FUNCTIONALITY

ZIRAVIX AI EXECUTIVE OS™ CORE includes AI-powered features designed to assist users with executive, professional, business, strategic, organizational, and related activities.

AI-generated information, recommendations, summaries, analyses, suggestions, or other outputs may contain errors, omissions, inaccuracies, outdated information, or inappropriate conclusions.

The Company does not warrant that AI-generated outputs will always be accurate, complete, current, reliable, or suitable for any particular purpose.

3. HUMAN REVIEW AND USER RESPONSIBILITY

Users are responsible for reviewing and evaluating AI-generated information and outputs before relying on them or taking action based on them.

AI-generated outputs should not be treated as a substitute for appropriate human judgment, professional expertise, independent verification, or professional advice where such advice is appropriate.

Users remain responsible for decisions, actions, omissions, and outcomes resulting from their use of or reliance upon AI-generated outputs, subject to applicable law and the limitations of liability contained in the Terms.

4. NO PROFESSIONAL ADVICE

The App is not intended to provide legal, medical, financial, tax, accounting, employment, regulatory, or other professional advice unless expressly stated otherwise.

Information or AI-generated outputs provided through **the App** should not be relied upon as a substitute for advice from an appropriately qualified professional.

5. AI LIMITATIONS

AI systems may produce outputs that are incomplete, inaccurate, inconsistent, or unsuitable for a particular situation. AI-generated outputs may also change over time as underlying technologies, models, data, configurations, or third-party AI services are updated.

Users should independently verify important information before relying upon it, particularly where decisions may have significant legal, financial, business, employment, safety, or other consequences.

6. USER INPUTS AND THIRD – PARTY INFORMATION

Users are responsible for ensuring that information they provide to **the App**, including information concerning other persons or organizations, **may lawfully be provided to and processed through the App**.

Users should not submit information where they lack the necessary authority, rights, permissions, consents, or other lawful basis to do so.

7. THIRD – PARTY AI TECHNOLOGY

AI functionality may depend upon third-party technologies, platforms, APIs, models, or services. The availability, functionality, and performance of AI features may therefore be affected by changes, limitations, interruptions, or outages affecting applicable third-party services.

8. NO GUARANTEE OF AI OUTPUT

To the maximum extent permitted by applicable law, **CODESCREEN BRAINCUB INCUBATOR LTD.** does not guarantee the accuracy, completeness, reliability, availability,

suitability, or fitness for a particular purpose of AI-generated outputs provided through **ZIRAVIX AI EXECUTIVE OS™ CORE**.

Nothing in this AI Usage Disclaimer excludes or limits any right, remedy, warranty, liability, or protection that cannot lawfully be excluded or limited under applicable law.
